

The following illustrates how to remove the existing merchandiser assembly on the Legacy IBD units and replace it with the Medallion Merchandiser Assembly.

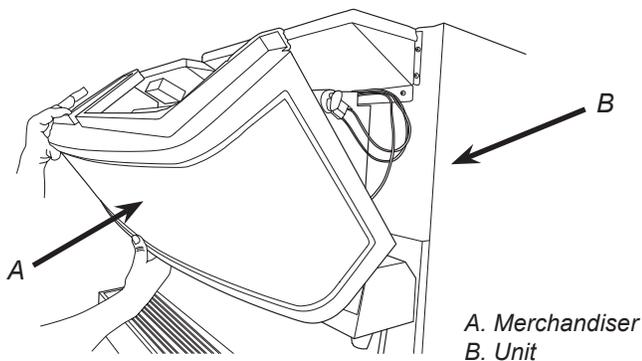

## Installation

1. Unplug the dispenser to disconnect power.

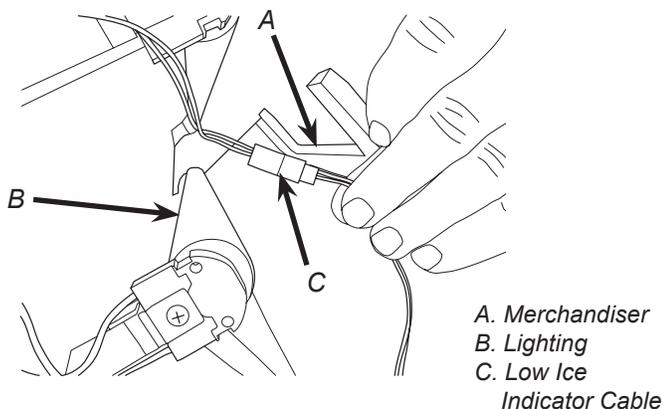

### ⚠ WARNING

Always disconnect power from unit prior to servicing or cleaning.

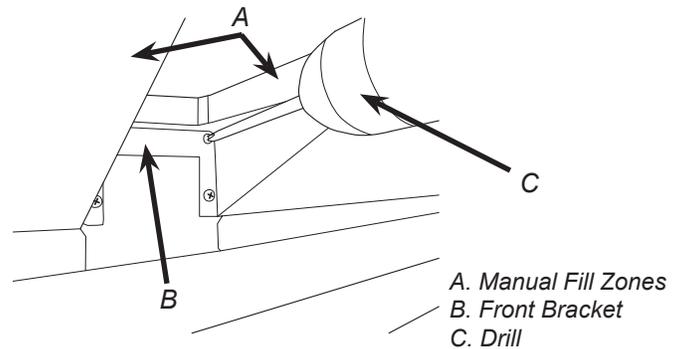

2. Remove ice bin lid.
3. Remove the four (4) thumb screws from the front of the unit, towards the top of the merchandiser.
4. Lift up on the merchandiser, so that it unhooks from the top of the unit, and lean the merchandiser back.

5. Unplug the low ice indicator cable inside the merchandiser on the left side of the unit, before removing the merchandiser.

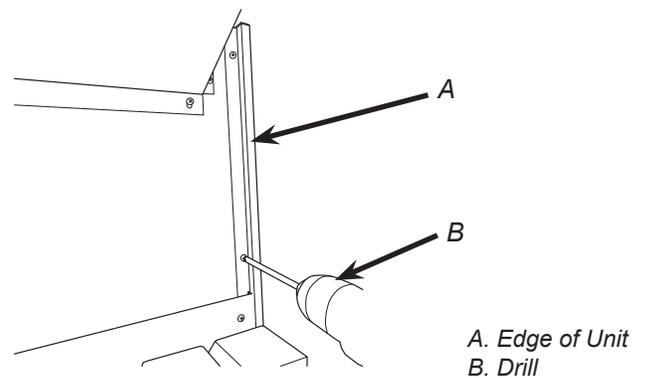

6. Remove the merchandiser.
7. Using a screwdriver or drill remove the front bracket, inbetween the two (2) manual fill zones at the front of the unit, by removing the existing four (4) screws.

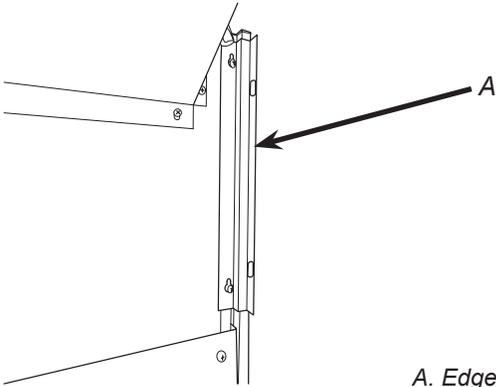

8. Once the bracket is removed, reinstall the four (4) bracket screws.
9. Loosen the four (4) existing screws on the outer edge of the unit (two (2) screws on each side respectively).

### NOTE

DO NOT fully removed outer screws.

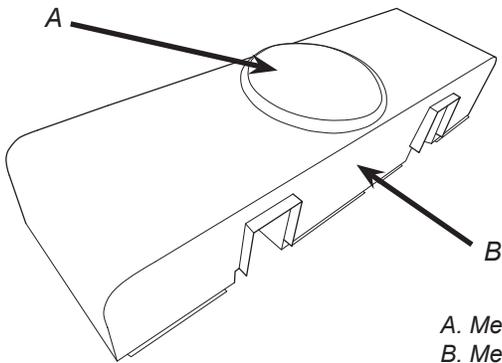

10. Slide the two (2) brackets provided over the outer screws loosened on the previous step. Make sure to install the appropriate bracket to each side of the unit.

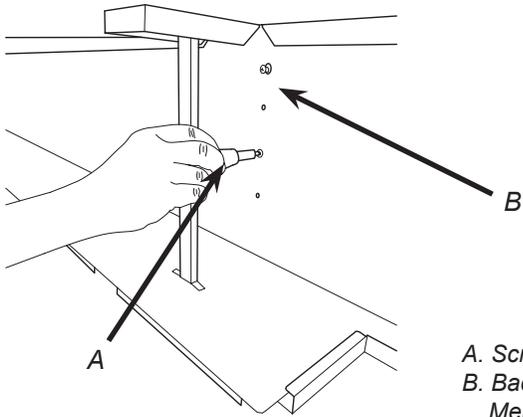

A. Edge Bracket

11. Tighten the screws to secure the brackets to the unit.  
 12. Carefully remove the protective seal from the stainless steel merchandiser provided with the kit.  
 13. Line up the medallion provided to the front of the new merchandiser by aligning the holes on the merchandiser to the holes on the back of the medallion.

A. Medallion  
 B. Merchandiser

14. Using the two (2) medallion screws provided, install the medallion to the front of the merchandiser by screwing in the screws to the back of the merchandiser.

A. Screwdriver  
 B. Back of Merchandiser

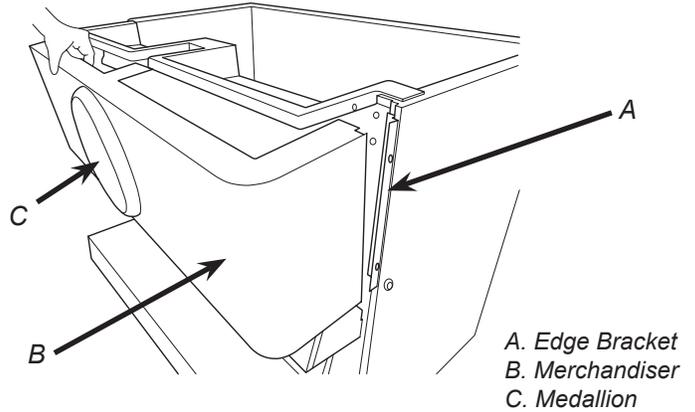

15. Slide the new merchandiser, with the medallion installed, into place.

**NOTE**

Notches at the bottom of the merchandiser slide into grooves behind the valves.

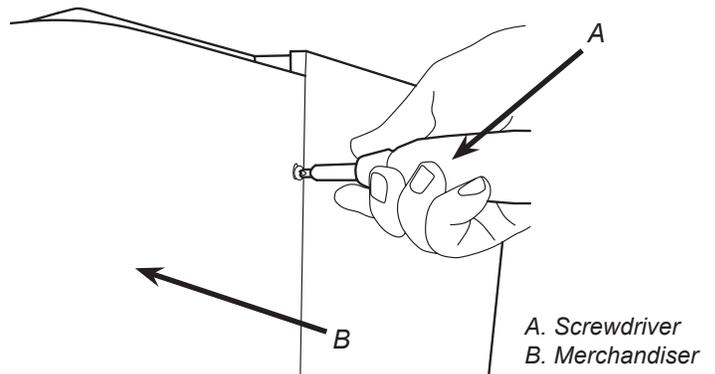

**NOTE**

Line up the holes at the edges of the merchandiser with the holes on the brackets installed in Steps 9-10.

A. Edge Bracket  
 B. Merchandiser  
 C. Medallion

16. Using the four (4) bracket screws provided, install the merchandiser to the unit.

A. Screwdriver  
 B. Merchandiser

17. Reinstall ice bin lid.
